PRESENTATION RESOURCES DISTRIBUTION

In an effort to provide the greatest support possible to HTAWA / HTAA members across Australia, conference presenters are asked to share any presentation materials with conference delegates via a restricted access conference link.

We are an association committed to the continual support of all members by making some sessions accessible online for participants who are unable to attend conference. Delegates must pre-register and the sessions will only be accessible as a live stream and will not be recorded or distributed to a wider audience.

Do you consent to providing an electronic copy of presentation materials?	Yes / No
Are you happy to have your session streamed live to online conference participants?	Yes / No
Is your presentation suitable to be delivered online if required?	Yes / No

Please submit your completed form to HTAWA prior to 31st December 2023
